

Send a fax to any fax machine in the United States (including Puerto Rico) or Canada for free. You don't need a fax machine yourself, but you do need a valid e-mail address. The service is supported by advertising on the web site and on the cover pages of the free faxes you send. You can also pay per-fax to remove the ads.

FaxZero lets you send a fax to any fax machine in the United States (including Puerto Rico) or Canada for free. You don't need a fax machine yourself, but you do need a valid e-mail address. The service is supported by advertising on the web site.

The easiest way to send a fax is to just type or paste the text of your fax into to the Enter Text to Fax box. Or, you can click the Browse... button to fax a file on your computer: you can send a PDF, Microsoft Word (.DOC or .DOCX or .RTF) file, image files(.PNG or JPG) or Excel spreadsheet (.XLS or .XLSX). Other supported file format include: TXT, HTML, TIFF, BMP, GIF, PPT(Powerpoint) and VSD(Visio 2003+).
